

Your commitment...

We understand that our child is a gift from God and that He will hold us accountable for our child's spiritual growth in Christ;

We promise to pray for and with our child, to instruct our child in the things of God, to teach our child to read God's Word and to do everything in our power to bring our child to a knowledge of Jesus Christ as Savior and Lord;

We believe it is a great privilege to offer a child back to the Creator, and wish to stand before God and the church to dedicate our child.

Questions To Discuss...

1. Are we Christians?

Since dedication of children is a Christian act of giving children to God for His glory, an important question to ask is, "Are we Christians?" Christian dedication of babies is for Christian families.

2. Are we serious about this dedication?

Parents should ask themselves if they really want to see their child serve God. Dedication of children to God means handing them over to Him to do with as He pleases. An act of dedication is an act of faith in God, trusting Him to call the children wisely and mercifully.

3. Are we willing to oversee our child's Christian Development?

Dedication of children to God is a promise to model a Christian lifestyle to the children including worshipping with a church family regularly. In a sense, a Christian dedication of a child is a dedication of the parents to be godly role models.

4. Are we, the parents in agreement on this?

A pastor cannot really dedicate someone else's baby to God, because the baby does not belong to the pastor. The parents have been made caretakers of their baby. Only they can dedicate the child to God. It is important that they are committed to the Christian Dedication.

Please Note:

If you are including others in your ceremony, they too will be committing themselves to help you in raising your child as unto the Lord. Please make sure they understand this commitment prior to the dedication ceremony.
