

## OUR VISION

Our goals keep us focused on our mission, motive, method, and process.

We want every disciple to be a disciple-maker, every home to be a training center, every small group to be a missions organization.

Through these organized efforts, we prepare our people to be standard-bearers for Christ, and to be leaders within their individual spheres of influence.

**Our hope is to equip hundreds, to train thousands,  
to reach millions, to affect billions.**

## THE MISSION OF HOPE CHRISTIAN FELLOWSHIP

*Making Disciples Who Live and Love like Jesus*

### HOPE CHRISTIAN FELLOWSHIP

# OUR MISSION

*“Making Disciples who live & love like Jesus.”*

We derived this mission statement from these two “Greats”

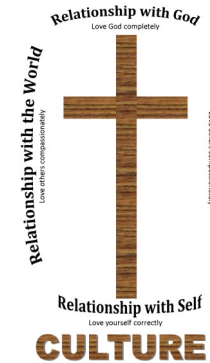

*The Great Commandment  
Matthew 22:36-40*

Love God and love your neighbor

*The Great Commission  
Matthew 28:18-20*

... make disciples ...

**Jesus always heard and obeyed His Father. We are discipling people to do likewise.**

# OUR VALUES, OUR CULTURE

- Love God Completely
- Love Self Correctly
- Love Others Compassionately

**Our values, when put into practice, form a culture of love, acceptance, and forgiveness.**

# OUR MOTIVE

The motive for everything we do should be **love**.

*John 13:34-35*

*“Love others as I have loved you.”*

As we love Jesus, we follow His commands. As we obey Him through expressing His love to others, the invisible God becomes visible.

# OUR METHOD

Our method is what we call, **“relational bridge-building.”**

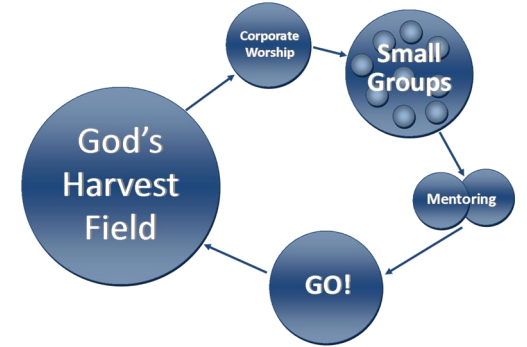

We believe that relationships are the bridges over which values are transferred.

It is rightly said, “People don’t care how much you know until they know how much you care.”

# OUR PROCESS

We use small groups as our primary way of building relationships for the purpose of making disciples.

## How We Make Disciples:

- We encourage people to grow and mature in their knowledge of the person of God. We want them to be able to trust in His character and motives.
- We equip people to grow and mature in the practice of living and loving like Jesus.
- We envision people to sow into the purpose of God by helping them discover their gifting and develop skills in their strategic area of ministry.
- We empower people to be effective and productive for the Kingdom of God as they grow in their service and outreach toward others.

# OUR GOAL

Is to make disciples and exhort them to:

- **Love God,**
- **Love others, and**
- **Make disciples themselves**
